Recommended for Individual study

- Advent Hope Joel Edwards. Cover to Cover -A day by day self-reflection for during Advent. Some wonderful inspirations and appropriate Bible passages. One to do on your own rather than as a study group.
- Big Boys Dont Cry Nick Battle
- The Shack
- For What Its Worth Simon Guilebaud+ DVD. No holds barred discipleship
- Deep Frog and Amy Orr-Ewing
- The Road to Maturity - Mary Pritches. Our all-ladies housegroup did this study together. It has an accompanying DVD (which is a must). Great for getting to the root of some deep things maybe carried over from childhood and still creating 'stuckness' today. This study needs a very pastoral leadership style to gently take the group through the study but well worth it.
